## **Useful current information**

The Jiri to EBC trek is a challenging but rewarding experience.

The trek begins in the town of Jiri, which is located about 190 kilometers from Kathmandu. From there, it winds its way through the mountains, passing through the villages of Namche Bazaar and Tengboche before reaching Everest Base Camp.

The trek can be completed in either 17 or 19 days, depending on your fitness level and how many rest days you take. The trail is well-marked and well-trodden, making it relatively easy to follow.

Check out our guide on the fitness level required for Everest Base Camp to ensure you're fully prepared for this adventure of a lifetime.

## **Tipping in Nepal**

When it comes to tipping in Nepal, there are no hard and fast rules.

Some people recommend tipping 10% of the total bill, but this is by no means obligatory. Tipping is a personal choice, and you should tip whatever you feel is appropriate.

If you are happy with the service you have received, a tip is a nice way to show your appreciation. However, if you are not satisfied with the service, you are not obliged to leave a tip.

## **Booking Process & Payment**

When you're ready to book your trek, you'll need to provide some basic information, including your name, date of birth, passport number, and emergency contact information. You'll also need to pay the trek deposit.

## **Last-minute booking**

If you're considering doing the trek last minute, don't worry, it can be done. However, there are a few things you need to keep in mind.

First of all, availability is obviously going to be an issue. There are only a limited number of permits available, and they tend to fill up quickly. So if you're wanting to do the trek in the next few weeks, you'll need to book as soon as possible.

Secondly, the prices are going to be higher than if you booked earlier. The operators know that there's a lot of demand for last-minute permits, so they hike up the prices. But don't worry, it's still much cheaper than doing the trek through a tour company.

So if you're feeling spontaneous and want to do the trek in the next few weeks, go ahead and book it! Just be prepared for higher prices and limited availability.

## **Responsible travel**

When you're trekking in the Himalayas, it's important to be a responsible traveler. This means leaving no trace behind and respecting the cultures and natural environments you encounter along the way.

The Jiri to Everest Base Camp Trek is a wonderful opportunity to experience the beauty of the Himalayas while also respecting the local communities and environment. Make sure to pack appropriately, follow the guidelines set by your trekking company, and be respectful of the people and places you visit.
